

Luck on your side helps...

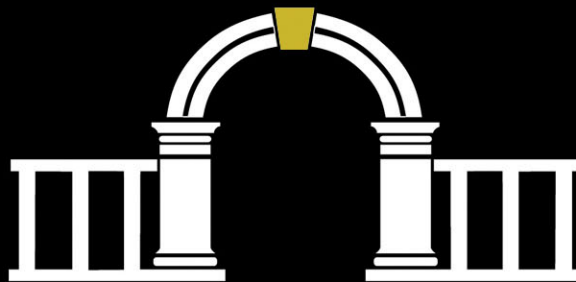

a good banker is even better.

Gateway Bank of Central Florida is pleased to offer thoroughbred lending, as well as a business checking account specifically designed for those in the equine industry.

Our equine lending department offers a local expert that specifically caters to the thoroughbred industry by providing all of your banking needs. Our products include operating lines of credit, farm loans, loans to purchase thoroughbreds as well as business checking accounts and savings products.

For more information regarding our equine lending, business checking or Gateway Bank's other related products and services please call **352.236.6451** or you may email **Beckie Cantrell** at bcantrell@gatewaybankcfl.com.
